Cocoa Operations – Olam Food Ingredients

MBA from Dr. V.N. Bedekar Institute of Management Studies, B. COM. from MCC.

Profile Summary

Mr. Omkar Shinde is an SAP SD-trained professional with prior experience in logistics and supply chain operations across PAN India. He has completed SAP S/4HANA Cloud, Private Edition – Sales (C_TS462) certification, gaining functional knowledge of Order-to-Cash processes, pricing and condition techniques, sales documentation, billing, and SD integration concepts. Previously, at Olam Food Ingredients India Pvt. Ltd., he managed high-volume transportation and distribution operations for leading FMCG and food manufacturing clients, with strengths in vendor management, cost optimization, dispatch planning, and in-transit damage control. With a structured, process-oriented mindset and strong analytical skills, he is seeking an entry-level SAP SD / Junior Consultant role where functional training and operational experience can be effectively leveraged.

SAP Certification

**SAP Certified - SAP S/4HANA Cloud Private Edition - Sales
C_TS462 SAP S/4HANA Sales**

Mumbai

December 2025

- Foundational understanding of **SAP S/4HANA Sales (SD)** and the **end-to-end Order-to-Cash (O2C)** process.
- Exposure to **Organizational Structure Configuration** including sales organization, distribution channel, division, shipping point, and billing relevance.
- Knowledge of **SAP SD Master Data Management** including customer master, material master (sales views), and partner determination.
- Familiarity with **Pricing Configuration using Condition Technique**, including condition types, access sequences, pricing procedures, and condition records.
- Understanding of **Sales Document Configuration and Processing** (inquiry, quotation, sales order), item categories, and schedule line determination.
- Exposure to **Delivery, Shipping, and Billing processes** with standard SAP integration across the sales cycle.
- Understanding of **SD integration with MM and FI**, particularly pricing, billing, and account determination.
- Familiarity with **SAP standard reports and sales analytics** for transactional and performance analysis.
- Exposure to **Basic Testing, Scenario validation, and issue analysis** within SD processes.
- Understanding of **Business Requirement Analysis** mapping to standard SAP SD solutions.

Olam Food Ingredients India Pvt Ltd

Cocoa Operations – Olam Food Ingredients

Mumbai

March 2024 till March 2025

- Managed end-to-end transportation operations, consistently **achieving >90%** Service Delivery Performance by aligning dispatches with customer schedules.
- Delivered **6,000+ tons** in 2024 with minimal in-transit damage through effective planning, vendor coordination, and execution control.
